Recorder video for mac • • Unobtrusive and light-weight, designed to do background capture.. Players work as both a U S Marine and British S A S Soldier fighting through a story full of turns and twists, players use superior firepower, highly sophisticated technology and use coordinated air and land attacks on a battlefield where accuracy, communication and speed are vital to achieve victory.. And while I imagine there will be some balancing tweaks down the road, the sniper rifles can be a bit too overpowering, overall I was happy with the gunplay.
